

LIVE • WORK • PLAY • SHOP

Eastbridge Business Connections (EBC) is an informal networking group that brings together the residents and merchants from within and around Eastbridge in a casual and relaxed setting. Since its inception in January 2017, the group has been attracting participants from throughout and beyond Waterloo Region.

There is no cost to participate and EBC's volunteer Program Advisory Committee is encouraging as many people as possible to come out, get involved and be part of the local community. EBC's goal is to make the area a more inclusive, safe and welcoming place to live, work, play and shop. Participants range from entrepreneurs to stay-at-home-parents, business owners, young professionals, retirees, those who hold a regular 9-5 job and those wishing to feel more connected with their community

As the first of now three neighbourhood chapters and a total following of nearly 1,300 members, EBC Meetups are held the last Monday of every month from 7:00-9:00pm at a local business establishment within and around Eastbridge. Throughout 2023, EBC will be giving out more than \$19,000 in door prizes thanks to its 35 Annual Meetup Door Prize Sponsors.

Make sure that EBC's volunteer Program Advisory Committee has your contact information on file to ensure that you receive EBC's monthly newsletter regarding Meetup updates, events, activities and other community-wide and important announcements.
