Waterloo, Ontario

From the Desk of Jason Kipfer, Founder and Chair of LCCHub

1 January 2025

As 2024 ends, I'm proud to reflect on the tremendous growth and accomplishments of the Locally Connected Community Hub (LCCHub) and share an exciting look ahead to 2025. This year, LCCHub expanded its presence to seven chapters across the tri-cities region and Stratford area, adding new chapters in Cambridge and Guelph. With over 30 meetups hosted and membership soaring to 1,870 individuals—an incredible 56% increase—we strengthened our network and deepened community connections. Participation also grew significantly, with 555 members having collectively participated 1,551 times, 33 of whom attended 10 or more meetups.

In 2024, we launched two impactful initiatives. *Locally Connected Community Outdoor Adventures* encouraged neighbours to explore and connect in nature, while *Locally Connected Community Pulse* partnered with Canadian Blood Services, reinforcing the power of giving. Together, we supported local causes, donating 53 lbs of food to the Food Bank of Waterloo Region, \$603 to Food4Kids Waterloo Region, and 101 toys along with \$60 to the Waterloo Knights of Columbus' annual toy drive.

Looking forward to 2025, we're excited to continue evolving. Our North Guelph and East Zorra-Tavistock chapters will become Guelph Business Connections and Stratford Area Business Connections, reflecting our growth and focus. We're piloting a new chapter (with details coming soon), and reviving the *Career Insights from Industry Professionals* forum for 200+ Grade 7 and 8 students. With these and other initiatives, we'll continue to create opportunities that connect, inspire, and empower our communities.

This journey wouldn't be possible without our incredible members and sponsors. To the 51 companies that provided door prizes to our meetups throughout the year and our 12 Happy Hour Meetup sponsors, thank you for taking our events to the next level. As we plan for 2025, we're eager to partner with more businesses and volunteers to make the year one of connection, collaboration, and community-building.

Warm regards,

Founder and Chair
